## CONVEYORS / FEEDING AND WEIGHING / PACKAGING

**Acriston Inc.:** Volumetric Screw Feeders, Gravimetric Weight Loss Feeder, Bin Dischargers, Continuous Blenders and Pre-Packaged Metering and Blending Systems. ( [www.acriston.com](http://www.acriston.com) )

**Hapman Conveyors:** Flexible Helix Conveyors, Tubular Drag Conveyors, Compact Pneumatic Systems, Bag Dump Stations, Bag Compactors, Bulk Bag Unloaders and Fillers. ( [www.hapman.com](http://www.hapman.com) )

**Smoot Company:** Dense and Dilute Phase Pneumatic Conveying Systems. Rotary Feeders/Airlocks, P-D Blower Packages, Diverter Valves, Pipe and Couplings. ( [www.magnumsystems.com](http://www.magnumsystems.com) )

**Taylor Products:** Valve Bag and Open Mouth Bagging Systems, Robotic Bag Placers and Palletizers, Drum and Box Filling Systems, Vertical Form Fill and Seal Systems. ( [www.magnumsystems.com](http://www.magnumsystems.com) )

## DUST COLLECTION / POLLUTION CONTROL

**MikroPul:** Pulse-Jet, Shaker, Reverse Air and Cartridge Dust Collectors, Cyclones, Wet Scrubbers, Engineered Systems, Filtration Media and Emissions Monitors. ( [www.mikropul.com](http://www.mikropul.com) )

## MAGNETS / METAL DETECTORS / SAMPLERS

**Puritan Magnetics:** Plate, Drawer, Grate, Spout, Suspended Belt, Rotating Drum and Pneumatic Convey Line Styles. Ceramic and Rare Earth Magnets. Stainless Steel Construction. ( [www.puritanmagnetics.com](http://www.puritanmagnetics.com) )

**MCR Technologies:** Metal Detection & Separation. Gravity-Feed and Conveyor Belt Styles, With or Without Reject Devices. Metal Shark Belt Scales ( [www.mcrtechnologiesgroup.com](http://www.mcrtechnologiesgroup.com) )

**Sentry Equipment:** Powder, Liquid and Gas Samplers, Liquid Sample Coolers, Spiral Heat Exchangers, Boiler Blow down Heat Recovery Systems. ( [www.sentry-equip.com](http://www.sentry-equip.com) )

## PROCESSING / MIXERS / DRYERS / CENTRIFUGES

**Heinkel USA – Drying & Separation Group:** Specializing in Separating Solids from Liquids. Horizontal & Vertical Peeler Centrifuges, Inverting Filter Centrifuges, Basket Centrifuges, Conical Mixers & Dryers, Pan & Paddle Dryers, Nutsche Filter Dryers, Full Lab & Pilot Test Facility, Application Support & Optimization, Refurbished Equipment & Rebuild Services Available. ( [www.heinkelusa.com](http://www.heinkelusa.com) )

## **SERVICES**

**Matrix Engineering and Systems:** Project Engineering Services and Consultation. Design and Supply of Complete Turnkey Systems. Areas of Experience Include: Dust Control, Plastics Compounding, Pneumatic and Mechanical Conveying, Material Weighing and Batching, Milling, Blending and Drying Systems.

**BULK MATERIAL HANDLING - DUST CONTROL - PACKAGING - POWDER PROCESSING - WEIGHING & FEEDING**
